

Livonia Trunk or Treat

On Friday, October 28th, Lisa Gardner, our Volunteer and Bereavement Coordinator, as well as Oren Basse, our Business Development Representative, passed out candy to over 100 seniors at the Livonia Senior Center Trunk or Treat, which took place in the Eddie Edgar Arena parking lot. It was a fun event (despite the cold) and was a great chance to see some very creative costumes, and share our resource with the trick-or-treaters.
