Beverly J. Seeger

(August 01, 1931 - December 02, 2020)

Beverly J. Seeger, a resident of Brighton, passed from this life on December 2, 2020, at the age of 89.

Beverly was the beloved wife of Clifford J. and dear mother of Linda (Mike) Fox, Donny (Barb) Seeger, Janet (Steve) Dail, Nancy (Chris) Uphoff and April (Earl) Longuski. She

was the cherished grandmother of Jessica, Matthew, Kimberly, Ben, Danny, Andy, Aimee, Josh, Alex, Nolan, Elise, Bryton, Rayland and great-grandmother of Kayley, Brooke, Bella, Hanna, Reese, Eli, Weston & Colton. Beverly was the treasured aunt of Diane and Deby.

Beverly grew up in Farmington (Hills), MI with a loving family, parents Leo and Grace and an older sister Joyce. She attended Bond School and graduated from Farmington High School where she enjoyed being a majorette and made many lifelong friends. The most meaningful part of Bev's early life though, was meeting the love of her life, Cliff, her husband of 70 years. Together since 8th grade, they built a legacy of family and friends. Bev was a loving, devoted wife to Cliff and the heart of her family, pouring her love into raising 5 children (a litter of 4 plus one more), and always putting her family's needs before her own. The love Bev and Cliff shared was the rock of the family's foundation and together they were the role models for their family.

To know Bev's children, was to know her. One of her greatest gifts to her children was teaching by example. She was fond of saying, "always put your heart into everything you do", or "if it's worth doing, it's worth doing well", both of which were "moms way" in everything she did. Whether it was sharing her love of animals, including bunnies, goats, horses and of course her beloved, constant companion, Bailey, or cooking and entertaining for family, close relatives and their many friends (some of whom became known as "The Flamingos"), you could see how important being kind, humble and a good friend was to her. There were bowling leagues, (hole in one) golf, and sharing her creative talent for card stamping with friends and grandkids. She put her heart into everything she did and it showed, but especially when it came to cooking and entertaining. From Mickey Mouse pancakes to her mother's coconut cream pie, sharing recipes from her many cooking classes, or entertaining with lively neighborhood pool parties and making fond memories at Lake Charlevoix with family and friends, she showed us all what a wife, mother, nana and friend should look like. She was happiest being everything Cliff ever wanted in a wife, being a proud mother to her children, and a loving nana to her grands and great grands.

Bev also loved to take videos and pictures of special times together. Her family is so thankful to have had the many memorable pictures to share and re-visit with her in recent years, as she became more challenged with the effects of Dementia and Alzheimer disease. It was a favorite activity, along with watching her game shows and westerns, that brought about a funny story, smile or laugh, a twinkle in her eye or a wink for Cliff.

Her family was so blessed and thankful to be able to keep Bev at home where Cliff could lovingly care for her the way she cared for him for so many years. Witnessing many tender moments and the forever love between them was heartwarming and comforting to their family. Their love for each other was endearing and endless.

Interim Healthcare of Novi provided additional comfort and support for both Bev and Cliff, along with the rest of the family. Their team of caregivers gave them peace of mind in Bev's final weeks. The family will also be forever grateful for their heaven-sent angel, Patty, who was a comforting companion for Bev and welcome support for Cliff. Patty was sweet, caring and always made sure Bev's nails looked nice. She was truly a blessing for the entire family.

Even though Cliff lost his "Bevie", looking back he wouldn't change a thing about their life together. We have lost part of our heart and soul, and our tribute to Bev will be in the way we continue her legacy and lean on each other giving love, comfort and support, the way she nurtured and taught us with her warmth and grace. We are so grateful for the memories of her that live in the hearts of those she touched.

Now, there is another Angel in heaven.

A celebration of her life will be held at a later date.

The family has entrusted care and services to the Keehn-Griffin Funeral Home in Brighton - (810) 229-9871.
